Edgar Cayce on the Wisdom of Dreams
& the Nature of Healing

featuring Jerry Lazarus

The Wisdom of Dreams: How to Interpret Your Dreams

Dreams are an integral part of spiritual awakening, and they are a natural way of knowing God and our true nature. We receive dream guidance on every aspect of our being - health, vocation, relationship, spirituality, and so many more. Nothing of significance ever happens to us without it being first previewed in our dreams. Jerry will teach you how to:

- Establish a foundation for dream work
- Recognize the 14 purposes of dreams
- Interpret dreams
- Make sense out of "bizarre" dreams
- Enhance dream recall
- Apply dream messages

The Nature of Healing

The Cayce readings are rich with information on the spiritual nature of healing. In this portion Jerry will teach you:

- The different dynamics of healing
- The function of the Christ Spirit
- To transform mental attitudes to create a healing environment
- To use scriptural passages for awakening spiritual forces within
- To use prayer & meditation as spiritual disciplines for healing
- To tap into dreams that bring insights into health and healing

After leading a prayer-centered meditation, Jerry and the Memphis Glad Helpers will offer **laying-on-of-hands healing prayers** for those who wish to receive it.

Jerry Lazarus is a spiritual life coach, speaker, & author with a master's degree in religion and meditation. He teaches a course on 'The Wisdom of Dreams' at Duke University, leads workshops & retreats across the U.S., & writes a regular column on dreams in *Venture Inward* magazine. His book, *Dreams: Listening to the Voice of God*, will be available at the retreat & book signing plus it is also available on his web site at www.jerrylazarus.com.

By emphasizing a personal & experiential approach to spirituality, free of liturgical rules & religious hierarchy, Jerry empowers each individual. In large groups or in individual coaching sessions, his spiritual perspective helps people turn their everyday challenges into opportunities for personal growth, moving through life with grace.
