**REGISTER
EARLY**

BY SEPT 11,

Please note that the PRE-REGISTRATION TUITION DISCOUNT DEADLINE for this year is SEPT 11, 2012 (6 weeks prior to the retreat). After that date tuition is \$75 for all AND most importantly the Inn will release our reserved rooms on that date - so register AND book your room BEFORE SEPT. 11.

For more than thirty years Kevin Todeschi has made an in-depth study of the Edgar Cayce readings, especially as it relates to soul growth and personal development. His book on the Akashic Records describes how rather than being simply a record of the past, the universe's "super-computer system" is actually an interactive source of information that draws experiences and relationships to individuals for their own soul development. This program also promises to explore fascinating insights into the nature of the collective illusion we call "time." During the weekend you will:

- ◆ Glimpse your own Akashic Record and discover a probable past life, insights into your present experiences, and a potential future for you right now.
- ◆ Hear historical accounts of individuals who have somehow broken through the illusion of linear time.
- ◆ Discover what's at work that causes individuals to perceive one another very differently. For example, why does the person I like least of all still have people who love him or her, and why do people I love have their own challenging relationships?
- ◆ Take part in an intuition game - one that can provide insights into any imaginable question you might have.

Kevin Todeschi is the Executive Director and CEO for Edgar Cayce's A.R.E. and Atlantic University, responsible for managing the day-to-day activities of the Cayce work, and for envisioning their most recent expansion and renovation project. As both student and teacher of the Edgar Cayce material for more than thirty-five years, he has lectured on five continents, reaching thousands of individuals.

Known for his ability to make complex subjects enjoyable and easy to understand, he is the author of more than twenty-five books, including *Edgar Cayce on the Akashic Records*, *Edgar Cayce on Mastering Your Soul Growth*, *Edgar Cayce on Reincarnation and Family Karma*, *Edgar Cayce on Soul Mates*, and *Edgar Cayce on Vibrations*. He is also the author of several novels, including *The Rest of the Noah Story*.
