*Edgar Cayce on Angels, Fairies, &
The Light & Dark Forces*
featuring *John Van Auken*

As crowded and busy as life is on Earth, the hidden realms are more so. Angels, fairies, the Dark and Light Forces, and elementals inhabit this invisible plane around us. Edgar Cayce himself had the ability to see and perceive these forces, as well as discarnate entities, ghosts, and "invisible friends."

In this fascinating program, John will share methods for benefiting from communing with the invisible world and for protecting yourself from unwanted influences. Using tools to create enhanced states of consciousness and perception, John will help you experience these other varieties of life in a manner that is helpful and positive to your soul growth.

You will also explore:

- ❖ The variety of life forms beyond the visual spectrum
- ❖ Angels and archangels and their role in our soul growth
- ❖ Guardians, guides, and the Light Forces
- ❖ Fallen angels, demons, and the Dark Forces
- ❖ The "little people": brownies, fairies, pixies, and gnomes
- ❖ The "night side" of life, unseen forces, and "invisibles"
- ❖ The elementals and dimensions beyond the physical
- ❖ The veil and the imaginative forces

"Each soul in its walks in the earth has its angel, its gnome, its face before the Throne of . . . God. And these are always ready to guide, to guard . . ." Edgar Cayce reading 531-2

John Van Auken is a director at Edgar Cayce's A.R.E., and is one of the organization's most popular speakers, traveling throughout the U.S. and abroad to address audiences on the body-mind-spirit topics found in the Edgar Cayce readings. He is an acknowledged expert on the Cayce readings, the Bible, ancient prophecies, world religions, meditation, and ancient Egypt. John conducts seminars in the U.S. and abroad, and is a tour guide to the many sacred sites around the world, including tours to Egypt.
